

New England Lakes and Watersheds Conference
Worcester State College, Worcester, MA

SAVE THE DATE: Friday, June 11 and Saturday, June 12 2010

The New England Chapter of the North American Lake Management Society (NEC-NALMS) is pleased to announce our annual conference hosted by the Massachusetts Congress of Lake and Pond Associations (MA COLAP).

Conference workshops (Friday):

- Nuisance Algae: Problems, Identification and Control
- Macrophytes: Key Native and Introduced Species to Know
- Fish: Hands on Pre-historical Exploration of New England Freshwater Fish
- Zooplankton: What Are They and Why We Should Care
- Putting Maps, Images and Data on the Web

Concurrent Sessions (Saturday):

- Watershed Management I & II
- Invasive Species I & II
- Volunteer Monitoring
- In-lake Management Techniques
- Emerging Issues in Lake and Watershed Management
